

Patient Appreciation Day is Almost Here!

Since opening our doors, we have experienced tremendous growth throughout which we have helped thousands of people with their health care needs. With the end of another year of service, also comes our time to show our appreciation to our Great Patients. On November 11 and 13 we will be hosting our first **PATIENT APPRECIATION DAYS!!!** For our **Established Patient Appreciation Day** on November 11, all existing patients will receive a free adjustment all day!!! (This is in addition to your regularly scheduled adjustment, so we maintain your adjustment schedule). There will be plenty of food and goodies throughout the day, we encourage you to come by. We will be raffling off 1 hour massages throughout the day. Then, on November 13, any new patients you invite, such as family and friends, will receive a complimentary consultation exam and x-ray to see if chiropractic can benefit them as well!!!

What do we need from you? We are asking that you bring in a \$5 donation for the Rotary Foundation. We hope that our efforts and your contributions can help others in our community.

On this day we want to loudly remember that if it wasn't for you and the results you receive, as well as the good things you say about us, that we would not be as successful as we are in helping with our community's health care needs.

SO DON'T MISS OUT!!! THIS IS YOUR DAY TO ENJOY!!! Call and schedule your appointment for yourself and family and friends at (843) 881-7797. *Don't delay because there is only so much time in a day, so appointments are limited.*

WE APPRECIATE YOU!!!
